

Grassroots community organization seeks intern assist in the development of a local TimeBank

C3 is starting a TimeBank in the greater Northampton Area. For every hour you spend doing something for someone in your community, you earn one Time Dollar. Then you have a Time Dollar to spend on having someone do something for you. It's that simple. Yet it also has profound effects. Time Banks change neighborhoods and whole communities. Time Banking is a social change movement in 22 countries and six continents. This model can include individuals, nonprofit organizations, businesses - anybody who wants to join can become a member.

Responsibilities will include:

The Time Bank Intern will assist in creating a Time Bank in the Pioneer Valley. This may entail research into what other time Banks are doing, making arrangements for orientations for new members, assisting in outreach to inform and educate other organizations in the area - about the benefits of Time Banks, helping with community events and fundraising. The intern will also help with day-to-day office upkeep along with the other staff.
